FSA Appoints Jason Ferris to Board of Directors

(Wayne, PA, November 6, 2018) ... The Fluid Sealing Association® is pleased to announce the appointment of Jason Ferris to its Board of Directors. Mr. Ferris is currently Director of Global Seal Engineering in Flowserve's Aftermarket Services & Solutions (AMSS) platform, and is based out of Kalamazoo, Michigan.

Mr. Ferris has 21 years of experience with mechanical seals, having worked as an Application Engineer, Product Development Engineer, and in various roles in leadership of seals and aftermarket products R&D prior to his current role. He is a licensed Professional Engineer and holds 3 patents, as well as a Bachelor of Science degree in Mechanical Engineering from Western Michigan University.

Mr. Ferris has been an active member of the FSA since 2013. He has been very active in the Mechanical Seals Division and is currently the Chair of that Division.

"We are excited to have Jason serve as a member of our Board of Directors," said Rob Coffee, FSA President. "He has extensive industry knowledge and great leadership capabilities and I am very much looking forward to seeing his positive impact on the association."

About the Fluid Sealing Association

Founded in 1933, the FLUID SEALING ASSOCIATION® (FSA) is an international trade association. Member companies are involved in the production and marketing of a wide range of fluid sealing devices primarily targeted to the industrial market. FSA membership includes a number of companies in Europe and Central and South America, but is most heavily concentrated in North America. FSA members account for a majority of the manufacturing capacity for fluid sealing and containment devices in the Americas market.
